

The 2012 Shepley Bulfinch Summer Design Fellowship

Design
Research
Collaborate
Present

Design as if your summer depended on it. As the Shepley Bulfinch Summer Design Fellow you'll make your own adventure. You won't just be in learning mode here: we want you to contribute and to engage in our design community. That means working on projects in a range of scales, showing us what you've got and gaining hands-on experience with different teams in our open studio. We value designers at every level. What can you teach us?

Key Dates

Feb. 24, 2012, 5:00pm EST:

Details, Details

The Fellow will work in our Boston office during any continuous ten-week period between June and August 2012 at your discretion. You'll get a \$7,000 stipend and all the free coffee and tea you want, plus a \$3,000 honorarium on successful completion of the Fellowship. The Fellowship is open to all students who are, at date of submission, enrolled in an NAAB-accredited B.Arch or M.Arch degree program, or who are architecture majors in the final year of an undergraduate program. You must be a US citizen or have a valid work permit to apply.

Application Requirements

Your application must include a resume; a maximum of five 8.5 x 11" pdfs with your best work from at least two different projects; and format a response to the following on an 8" x 8" pdf: "You have been given a sky hook. What is your next move?" For non-US citizens we'll need proof of a valid work permit from US Citizenship and Immigration Services. Email your submission to fellowship@shepleybulfinch.com with the subject line "Summer Design Fellowship." All application material will become the property of Shepley Bulfinch upon receipt.

About Shepley Bulfinch

Shepley Bulfinch (shepleybulfinch.com) is a national architecture, planning, and design practice serving healthcare, education, science, and civic clients worldwide from our offices in Boston, Phoenix, and San Francisco. A 130-person firm, we're at the forefront of developing sustainable, energy-efficient buildings and collaborative environments. Want to know what our Boston office looks like?
